

Cypress County MEDIA RELEASE

March 16, 2020 – 1:20 P.M.

Cypress County's top priority is the health, safety, and well-being of the public and our employees. We are focusing on maintaining essential services that the County residents rely on. In our operations, we have developed strategies on how to best mitigate the risk of the virus to our workforce. As further operations decisions are made, we will be making announcements to the public.

The following public engagements are postponed:

- March 24, 2020 – Public Hearing for Bylaw 2020/04 Land Use Amendment (A-2 General Agriculture to A-4 Greenhouse)
- April 8, 2020 -Renewable Information Night

More information will be available as the situation develops. For updates and other information visit www.Cypress.ca .
